

The Pazzles Inspiration Creative Cutter

Inspire yourself with the creative cutter Pazzles Inspiration.

This compact cutter will cut, draw, emboss, engrave, pierce and distress on a variety of materials including heavy cardstock, craft chipboard/greyboard, fabric, vinyl and lots more.

You can use the inspiration to create home decor, wearables, stamps, and any paper craft project! Designed specifically for paper crafters this is the ultimate home paper cutting system.

Requires a PC or Laptop running Windows XP with updates or Vista with at least one USB port or Windows7

- Cuts heavy cardstock and textures
- 500grms cutting force (more than twice that of a Craft Robo)
- Cuts 12"x12", 1/4"x1/4" to 12"x23" letters or 1/8" to 23" images
- Cuts fabric, embossing foil, chipboard and more!
- Draw, emboss, distress and more
- Design & create your own images using photos
- Customize your projects with any font or shape

The Creative Cutter Inspiration comes with all you need to start cutting straight out of the box:
